Connect online 24/7 and in person for the input you need to drive your business forward.

A complimentary benefit for Vistage members, Networks provides a powerful platform to interact with peers who share your industry, affiliation, interest or geography.

This helps you:

1. Get timely advice on your most pressing business challenges.
2. Discover innovation and solutions around shared and aligned business topics.
3. Build trusted relationships across the broader Vistage community.
4. Access curated content to optimize business practices.
5. Connect with peers within a certain geographic region.

Users on average join 4-6 Networks.

Geographic Networks

If location is important to the responses you wish to receive, then a post in regional Networks would be appropriate.

- | | | |
|--|--|--|
|  Asia Pacific (APAC) |  Mid-Atlantic |  Rocky Mountain |
|  Europe, Middle East, Africa (EMEA) |  Midwest |  South |
|  Latin America (LATAM) |  Northeast |  West |

Location challenges could be:

- Vendor and service provider recommendations in your area
- Local laws and guidance
- Regional issues impacting your business (i.e., weather, economics, trends)
- Advice for a market/region you're not familiar with

"I was able to get an SBA loan we needed because of a member in the Network. THANK YOU THANK YOU THANK YOU for all the help and referrals. **This saved my business and over 40 jobs.**"

Matt Doll, CEO, American Fireglass

"**I was pleasantly surprised by the rapid and candid replies and advice.** We had been leaning a particular direction, and the response helped us solidify what we were already thinking, but with greater confidence now."

Hazel Wigginton, Managing Partner, H2 Performance Consulting

"Getting input from 14 CEOs in my group is an awesome thing, but to also **get perspectives from thousands of others around the world** within hours is invaluable."

David Fitch, President, Fitch Lumber
